May 5, 2008

The Trustees received and reviewed the Cemetery Trustees Capital Improvements Program worksheet and the January 12, 2008 correspondence from the Planning Board requesting that the Cemetery Trustees fill out the worksheet for capital expenditures only and for a timeframe of 5 to 6 years. There was a discussion relative to land purchase for a new cemetery and the Trustees agreed that such purchase would be a capital expenditure that would need to take place in the near future. The CIP worksheet was filled out reflecting this discussion.
